### Advent...

*it's just around  
the corner.*

Don't miss the next issue of the *Voice* – the special Advent issue – which will include the many upcoming Advent events and activities here at Shandon.

*Beautiful. One of  
the best-loved  
choral works of  
the 20th century.*

Completed in 1900, the *Requiem* is one of the most beloved and often performed choral works in the Church for All Saints Day or All Saints Sunday. Faure, (1845-1924), was among the most important French composers of his generation. He was the Organist at the world famous "Church of the Madeleine" in Paris and served as the Director of the "Paris Conservatory of Music."

Todd Turner, baritone and Leanne Gallo, soprano, will perform as soloists with the Choir. During our worship, we will remember our Shandon members who have died since last All Saints Sunday, 2017.

**DAYLIGHT SAVING TIME ENDS THIS WEEKEND – November 4**

Remember to set your clocks back an hour before going to bed Saturday evening.

# Going Electronic

*THE WORLD IS CONTINUING TO GO MORE AND MORE DIGITAL, AND CHURCHES ARE GOING MORE DIGITAL AS WELL, THOUGH THEY MOVE A LITTLE SLOWER.*

*Stay connected to Shandon through your inbox.*

*We have been looking at digital trends of churches along with three key areas, and are planning to move the Voice newsletter from print to a predominately electronic newsletter beginning early 2019. We are encouraging everyone to go electronic, if you can.*

- We will have printed copies at the church to pick-up.
- If you do not use electronic communications and need a copy mailed to your home, you may let us know.
- We will continue to mail to our Shandon shut-ins.

**One of the major factors** for moving to an electronic *Voice* is a newly-designed component of ACS, our database software. Over the past several years, ACS has been developing a totally web-based component which gives ministers, staff and members easier and more ways to connect and do ministry. This new component does not have a mail module, and when we met with the ACS president we learned the mail module is not a priority due to more churches going electronic.

**A second key factor** for going electronic is being good financial stewards. The cost of printing and mailing, according to United Methodist Communications, continues to rise and more churches are using email inboxes rather than physical mailboxes. Going electronic will save us close to \$10,000 per year.

**And a third key factor** is “going greener” and making good decisions for our environment. In this age of information, we have paper piling up on our kitchen counters, on our desks, and in our recycling bins, and, here at Shandon, we want to be good stewards of God’s earth by eliminating some of the paper, ink, staples and mailing tabs. Watch for more information about the electronic *Voice*.

## IF YOU NEED THE VOICE MAILED

We are encouraging everyone to go electronic, if you can. If you do need a copy mailed to your home, email [mowen@shandon-umc.org](mailto:mowen@shandon-umc.org) with your name and address or complete the Voice Mail Opt-in Form located in the Bruner Building main hall.

# CHRISTMAS IN PETERSFIELD

## Your Help is Needed

On Saturday, December 1, our Senior High Youth will make their annual trip to Hollywood, SC, to visit with friends and community members of Petersfield. As is our tradition, we will share \$50 Walmart gift cards with these friends as well as a “free” thrift-store. Please prayerfully consider donating a \$50 Walmart gift card to this effort. Our prayer is to collect 125 gift cards for the families in the Petersfield community. By Sunday, November 25, gift cards may be given to our Education Staff, and monetary donations may be dropped-in the offering plate and marked as “Christmas in Petersfield” in the memo line. Thank you for partnering with us in sharing the love of Christ as we enter the season of Advent.

# Stephen Ministers

PEOPLE OFTEN ASK, "WHAT EXACTLY IS A STEPHEN MINISTER?" ONE WAY TO PUT IT IS THAT STEPHEN MINISTERS ARE THE **AFTER PEOPLE**.

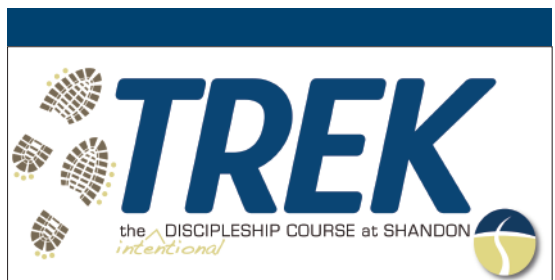

*They are ready to come alongside you.*

## Stephen Ministers are there:

- ... **after** the phone call you hoped you'd never get.
- ... **after** the funeral, when everyone has left and the emotions you've held at bay come crashing in on you.
- ... **after** the relationship falls apart and the bottom falls out of your life.

- ... **after** the doctor says, "I'm sorry, but there's nothing more we can do."
- ... **after** the nursing home director shakes your hand and says, "Welcome to your new home."
- ... **after** the last child honks the horn, waves, and drives away — and the house suddenly seems empty.
- ... **after** the gavel comes down, the handcuffs go on, and your loved one is led away.
- ... **after** the baby arrives, demanding more of you than you ever dreamed possible.
- ... **after** you find a pink slip with your final paycheck.
- ... **after** your family and friends have heard your story one too many times, but you still need to talk it out.

Stephen Ministers are the After People. They are ready to come alongside you—or your friends, neighbors, coworkers, or relatives — and provide comfort and support for as long after as needed. If you or someone you know could benefit from a Stephen Minister or would like to know more about it, please contact Rev. Carly Wicklund at [cwicklund@shandon-umc.org](mailto:cwicklund@shandon-umc.org).
